

CHEESE MERCHANTS OF AMERICA, LLC.

PREMIUM CHEESE PRODUCTS

January 01, 2012

To Whom It May Concern:

Cheese Merchants of America, has successfully completed and implemented its HACCP plan in compliance with F.D.A & U.S.D.A. recommendations.

All products processed in our Carol Stream, Illinois facility are guaranteed to be safe and wholesome, following strict F.D.A., inspections and guidelines.

Be assured we will only purchase products from companies that furnish us with similar letters of guarantee assuring us their products A) are not adulterated or mis-branded, B) will be in compliance with all applicable Federal, State, and local laws, and C) to be free from any defects in workmanship of materials.

If you have any questions, please call me.

Sincerely,

*Paul DelleGrazie
Quality Assurance Manager*
